Members' Committee Newsletter

February 2013

Enjoying the best weather of the year so far, the 2013 Captains held their 'Drive-In' on 2nd February. Pictured left, they are Ken Hayman-Seniors Captain, Janice Turner-Ladies Captain, Ron Pugh-Club Captain and Keiron Davies-Junior Captain.

Over 80 members took part in the team competition that followed. Despite heavy conditions some excellent scores were posted but the winning team by a clear margin comprised Roger Edwards, Jaz Heer, Jamie Stokes and Dylan Jones. Three members of the winning team are pictured below clutching the trophies that had been presented to them by Ron Pugh.

Peter Beckett won the £50 prize for corrected predicting the length of the new Captain's drive at 243 yards which, to much astonishment, found the fairway. Ian Thomas took the opportunity to commence 'John Wilson' fundraising with a raffle.

Ron Pugh presented cheques to representatives from Hope House Children's Hospices and Marie Curie Cancer Care. At the Annual Presentation Evening, Ron took the opportunity to thank Barclays Bank, the principal sponsor during the year, and then the many local businesses and individuals who had contributed to the campaign. A total of £7,580 was raised during the year and this was shared equally between the two charities.

Supporting these enjoyable events
is crucial for their continuing suc-
cess. Many clubs cancelled their
opens/invitation days last year
through lack of support. Please
don't let Mile End be a casualty too.

Nature Watch

Twelve new bird boxes have been
sponsored by the Ladies Section and
the Members' Committee and will be
positioned on the course in the coming
weeks. The boxes have been made by
our resident carpenter John Bradford.

A RSPB representative will visit on the 9th February to give
ornithological advice and guidance. Watch this space for fur-
ther updates.

James Davies has arranged for a group of Therapists to come
to the club to enlighten anyone interested Hypnotherapy,
Homeopathy and Flower Essences. Ghislaine Headland-
Vanni practices Clinical Hypnotherapy, working with the non-
conscious part of the brain to bring about changes to your
mental wellbeing in a golfing context. Jeremy Derrick brings
safe and effective Homeopathy to golfers and can help in are-
as such as tiredness after a round, sprains and strains. Suzi
Rizon is a qualified Bach Flower Therapist and can suggest
Flower Essences with healing properties not only in our daily
lives but for the golf course too. All members are welcome
to come along and meet them in the clubhouse on Sunday
28th April. Ask in the shop for more details.
