Members' Committee Newsletter

October 2013

Senior Captain's Awayday

A good turnout of senior members enjoyed an excellent day at Lilleshall Golf Club with the weather, once again, being favourable. Although the course is not long, the fast, undulating greens proved a real test. The only person to play to his handicap was Past-Captain Gareth Rogers whose 36 points was enough to win the competition. He is pictured left receiving the winner's trophy from Senior Captain Ken Hayman.

The seniors section continued their winning ways in September, with victories over Llangollen, Hill Valley (twice) and The Shropshire. With the season now completed the record reads:- Won 15, Lost 5 with one match being drawn.

Annual General Meeting

This will be held in the Clubhouse on:

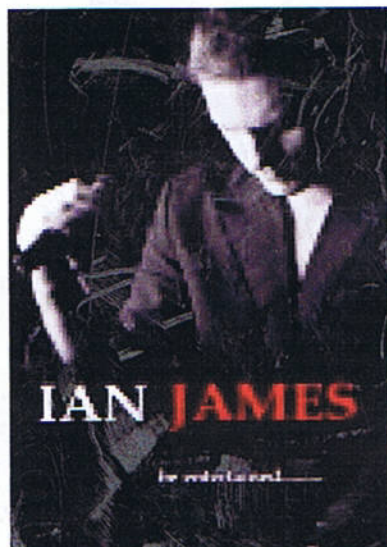

Wednesday 6th November 2013

Any Members with resolutions for consideration at the AGM must notify the Secretary: Anna Pugh by

Wednesday 16th October 2013

Mile End hosts SHUGC Autumn Meeting

Past Captains from many of Shropshire and Herefordshire's Golf Clubs took part in their Autumn Meeting at Mile End recently. The course was in excellent condition and some of those who had not played our course for some time were very complimentary about the way in which it has developed. Home advantage was important with Mile End Past Captain Jeff Owen winning the individual Trophy and the Mile End team of Jeff Owen, Fred Crouch and Rob Davies winning the team event.

A Reminder

Annual Dinner Dance 2013

Friday 22nd November

Bookings now being taken

Designed for forgiveness and length

Cleveland Wedge Deal

£25 off

When you trade in any old wedge

From Club Captain—Ron Pugh

During the past few months I have played at over 30 courses across the country. In recent weeks the standard of our fairways and greens have been amongst the best that I have played on. At the same time the general layout of our course is amongst the very best. It is encouraging to see the steady stream of new members joining what I am sure will be one of the most successful clubs in this part of the world in the next few years.

From the Professional—James Davies

I would like to remind Members that we offer a FREE Fitting Service. The charge for none members is £30. Please feel free to come and check your old equipment against some of the new hardware from Mizuno, Cobra, Cleveland and Ping.

I will be looking to organise a Pros Weekend Away. If anyone would like to make some suggestions on price or a location, I will be happy to listen. Places such as The Belfry, Forest of Arden and Celtic Manor would be the type of place I would look into.

From Head Greenkeeper—Ian Beckett

A big thank you to all the volunteers (some of whom are pictured left dredging the pond on the 17th) for their efforts over the past few weeks; it's much appreciated.

The annual work on the greens will commence this month. The fairways have recently been sprayed to prevent worm casts.
