Grant Edwards - PGA Professional

2014 has been a great year for Grant Edwards. He recently graduated as a fully qualified PGA Teaching Professional and is pictured here with his certificate which he received at a ceremony in the Grand Hall at Birmingham University. Coming up soon, on the 23 June, Grant will be competing in a qualifier for the British Open. We all wish him the best of luck!

Continuing on with his good fortunes, Grant won the Shropshire and Herefordshire Professionals' Order of Merit, the Leonard Trophy. Scoring a fantastic 926 points, Grant had a comfortable margin over the second placed Professional who scored 625 points. Well done indeed!

The Royal Star and Garter Homes Charity Event

Every year Roger Tweed organises a charity golf day to raise funds to support the Royal Star and Garter Homes. This Charity provides outstanding nursing and therapeutic care to the ex-Service Community. The Charity recognise that we all owe a great debt to forces veterans and their families, and they take great pride in providing the level of care, friendship and respect they deserve. They currently have two homes providing this care, one in Solihull and the other in Surbiton and there will shortly be a third in High Wycombe, Buckinghamshire.
