## Members' Committee Newsletter

### August 2014

#### SHUGC 'Centenary' Scramble.

All 32 members of Shropshire and Herefordshire Union of Golf Clubs entered teams for the 2014 scramble event held at Shifnal Golf Club. Only Bridgnorth, whose team included a professional, had a lower gross score than Mile End's 64. After the 10% of combined handicaps rule was taken into consideration, Mile End's team (pictured above) finished in a commendable 3rd place.

#### Hole in One for Angela

On a recent visit to The Astbury, Angela Eke had a hole in one on the 85 yard 7th hole. Satisfied with the good line, Angela missed seeing the ball go in the hole by bending down to pick up the tee peg and then wondered what all the cheering was about!

#### Ladies Open 2014

Pictured (left) with Lady Captain Moya Holmes are the 2014 winners, Eileen Clifford and Morgan Woods both of whom are members of Mile End.

## Join PGA Professional James Davies at Pebble Beach September 2015

Package includes:

Price Guide £2,750  
per golfer

Excluding flights

Price confirmation and air fares

available October 2014

Pebble Beach Links

Spyglass Hill

Links Spanish Bay

## On the Course

The photos show the greenkeeping team top-dressing our greens earlier in July . This is something that would normally have been done earlier in the season but was delayed due to extremely wet weather that we had in May . A suitable "window of opportunity" was then required to get the work done, whilst offering as little disruption as possible to the golfing programme. Top-dressing is an essential activity smoothing out any imperfections in the greens thus providing a truer surface over time.

Although our irrigation system has been used to good effect over recent weeks, due to a computerised failure, we have been unable to control the system to operate automatically overnight . This has meant that our green-staff have had to manually switch on the popups in the early mornings. Although the greens have still had the water required, we know that overnight watering gives better results (not to mention freeing up man-hours). We are still awaiting additional computer parts in order to get full automatic system back working properly but this should be sorted in the next two weeks.

Richard Thompson

## SHOP OFFERS

**ALL LADIES CLOTHING BUY ONE GET ONE FOR HALF PRICE!**

**20% OFF ALL G25 STOCK**

**2 PAIR SOCKS ARE FREE WITH ANY NONE SALE ITEM SHOES**

## DEMO DAYS
