Thank you for showing an interest in Mile End Golf Club. The original 9 Hole course at Mile End (our current back 9) opened for play in June 1992. Construction of an additional 9 holes was fully completed in early 1995 and the opening of the full size 18 hole course took place on May 18th 1996. The 18 hole layout has been developing in leaps and bounds ever since. It has always been the policy of the Proprietor's of Mile End that whenever anything is done (whether large or small) it is done properly. This policy of " long term " investment has served us well in the early years of the Club and will continue well into the future.

Our modern clubhouse caters for the needs of all golfers and many Members & Visitors alike have already enjoyed this comfortable facility. In addition to the large bar/lounge and dining facilities, the clubhouse also provides changing rooms & shower facilities for both men and ladies.

We have a fantastic modern Two-Tier, 16 Bay, floodlit driving range, which is complemented by a large practice putting green & practice bunker. Future plans include creating an additional short-game practice area.

Our staff are at hand to cater for all your golfing requirements, including tuition and advice on golfing equipment and etiquette. The Pro-Shop now offers one of the best selections of quality equipment in Shropshire, including being the County's largest Custom Fit Centre - providing Professional fitting for most leading brands. Head PGA Professional James Davies offers all customers his experience of being a Mizuno trained European Tour custom-fitting expert.

Mile End has a full fixture list with a variety of competitions to appeal to all standards of golfers. The majority of these competitions are organised by the Member's Committee, which works in close liaison with the management. In addition to the "main" annual fixtures, the Ladies, Seniors & Juniors all have their respective sections which run their own competitions and also play matches against a number of local Clubs.

Although competitions play a major part in the "life " of Mile End Golf Club, it is also never forgotten that there are many beginners who join the Club and may decide to play only casual golf until they may wish to enter any competitions. Although many players are apprehensive about entering competitions at first, they soon find that they meet many more Members and enjoy their golf even more after they have entered their first few competitions.

With our extensive clubhouse facilities available, Members are encouraged to bring guests to the Club at any time. Members can also "sign in" up to **THREE** guests at a time to play on the golf course at a greatly reduced daily green fee.

Although accepting Visiting golfers is an extremely important part of any golf course (helping to keep Membership rates at a reasonable figure), we have a policy at Mile End of continually monitoring course usage to ensure that our Members have the highest percentage of "course availability time". We do not run mandatory "tee time" system and this is not currently planned.

Members can enjoy the facility of being able to buy driving range balls at a **discounted** rate and also hire our ride-on buggies for a special **Member's only fees**. The introduction of our Member's Account Card scheme has simplified this process and allows **additional discounts to be automatically given on all Food & Drink purchases as well as reductions on Driving Range balls!**

Mile End is fully affiliated to the Shropshire & Herefordshire Union of Golf Clubs (for men) and the Shropshire Ladies County Association (for ladies). Every member is therefore able to obtain an **officially recognised handicap** to play in Club competitions.

The greens at Mile End are irrigated by a fully automatic watering system which ensures that our Greenstaff are able to keep the greens in the best condition possible during the summer months. We are fortunate that we have a virtually endless water supply from the natural pool near the 16th fairway.

We have a system whereby Members can pay their Annual Subscription Fees by direct debit, thus spreading the cost of membership over **10** months. This involves an additional charge of 6.5% on top of the appropriate Annual Subscription Fee. For example a **Full Membership Annual Subscription Fee** for 2017 will cost **only £13.62 per week (per 12 months)**. Please ask if you require further details of this scheme.

FULL MEMBERSHIP :- Open to Ladies and Gentlemen wishing to use the course for 7 days per week.

5-DAY MEMBERSHIP :- Open to Ladies and Gentlemen wishing to use the course only during Monday-Friday in any week. To play at weekends (subject to course availability) a 5-Day member will have to pay a green fee at the "guest" rate, but is ineligible for entry into weekend competitions (there are however some midweek tournaments).

JUNIOR MEMBERSHIP:- Open to Girls & Boys under 18 years of age on 31st January. This category allows play on the course for 7 days per week. Lower rates are available for younger Junior golfers.

INTERMEDIATE MEMBERSHIP :- Open to Ladies & Gentlemen aged from 18 to 30 (tiered pricing dependant on age) . This category allows play on the course for 7 days per week.

FAMILY MEMBERSHIP:- When a minimum of **TWO** Full Members live at the same permanent address any Junior also living at that address can become Members for **FREE**. Please ask for details.

COUNTRY MEMBERSHIP:- This is available to golfers living at a permanent address which is over 60 miles away from Mile End. Members in the "Social Country" category are ineligible to play in competitions, although we do now have a "Competitive Country" option.

9 HOLE MEMBERSHIPS:- Allow 9 Holes of golf per day (front 9 OR back 9 holes). No official golf handicap will be issued for these categories and currently no competitive golf. Ideal for beginners or those unable to manage a full 18 holes.

All members are allowed to use the clubhouse and practice facilities at **ANY** time. All members will be provided with a copy of the club rules upon joining. Please ask if you have any wish to preview the rules before joining the Club.

Although we hope that this information has answered some of the questions that you may have had about Mile End, we would like to invite you to come and " look around" for yourself as our course and clubhouse facilities will reveal more than words.

There will always be someone available to introduce you to the friendly atmosphere of Mile End Golf Club !

Happy golfing,

RICHARD THOMPSON
Proprietor - Mile End Golf Club
