

Points⁴Golf At

Points⁴Golf is a new scheme that we have introduced for the modern golfer who is looking for an affordable way to play their golf.

Points⁴Golf Members enjoy the flexibility that a traditional membership provides without the financial implications, making it ideal for someone who is new to the game or has limited time to play, whilst still having full use of the facilities on offer here at Mile End.

If you are a more frequent golfer who is looking to get an Official Handicap & play competitions, then please have a look at our other traditional forms of Membership which will probably suit you better. There are no tricks or hidden costs involved just simply buy your points and start playing golf straight away at Shropshire's most progressive golf club.

Each time you play the appropriate amount of points is deducted from your points balance when you check-in at the golf shop. Points⁴Golf points are valid for 12 months. Unused points can be carried over as long as you renew the points package on an annual basis.
